The John Paul II Foundation Chicago Chapter is Celebrating the 35th Anniversary

On Saturday, October 20, 2018 at the Polish Mission of Cistercian Fathers in Willow Springs (USA) the celebrations of the 35th anniversary of the John Paul II Foundation Chicago Chapter took place.

The Chicago Chapter works among Polonia at the St. Ferdinand Church and the John Paul II Sanctuary with Cistercian Fathers. At the Chapter's invitation, Fr. Robert Ptak SCJ, Vice –President of the John Paul II Foundation home in Lublin participated in the anniversary celebrations.

Fr. Ptak celebrated a solemn Mass at 4.30 p.m. and delivered the homily in which he emphasized the importance of the religious formation among young scholarship recipients from Central and Eastern Europe and from Asia. John Paul II wished to allow the Foundation's scholarship recipients to deepen their faith and study at the Catholic University of Lublin, so upon graduation they could return to their homelands to build Christian communities. The scholarship program could be realized thanks to the generosity of so many Benefactors from around the world. Fr. Ptak expressed gratitude to all members of the Chicago for their prayers and financial support wishing them St. John Paul II care and God's blessing for the upcoming years.

At the end of the Mass, all participants paid homage to the relics of St. John Paul II and then went to the parish hall where additional part of the event took place. The President of the Chicago Chapter, Ms. Elżbieta Ceisel-Mikowska greeted all participants, especially the spiritual supporters of the Chapter: Fr. Zdzisław Torba from the St. Ferdinand Church and Fr. Michal Blicharski, director of the Polish Mission. Among guests there were Polonia's priests, nuns and new members of the Chapter. The Chapter President also introduced the new Chapter's board.

Then, the artistic part of the event was presented by the Highlanders group "Tatry" from Chicago dedicated to St. John Paul II on the 40thanniversary of the election to the Peter's Seat.

The family atmosphere continued by each table where delicious Polish meals were served.

Saint John Paul II – supports us from heaven and pray for us!

Wadowice on the Potomac Celebrating Pope St. John Paul II

The Friends of John-Paul II Foundation, Washington, DC, hosted a splendid gathering at the Apostolic Nunciature in Washington, DC, on Sunday, November 18, to celebrate the 40th anniversary of Pope St. John-Paul II's inauguration to the papacy.

The annual event, known as Wadowice-on-the-Potomac, is named for is the birthplace of Pope St. John-Paul II, who was born Karol Józef Wojtyła. It is a major fundraiser for the Friends of the John Paul II Foundation with profits going to support the Foundation's ongoing work. This year's special guest of honor was His Excellency Piotr Wilczek, Ambassador of the Republic of Poland.

The Master of Ceremonies was Raymond Glembocki. He began by introducing soprano Laura Kafka-Price who led all gathered in singing the Polish and American National Anthems. The current president of the Foundation Sharon Brzostowski asked for a moment of silence in honor of the most recent president Richard Wiermanski who passed away in September. She thanked all those present for their support and then asked the Apostolic Nuncio, His Excellency Archbishop Christophe Pierre, to offer the invocation before the luncheon was served. Guests were seated at tables covered in gold and red linen tablecloths and decorated with colorful Polish memorabilia centerpieces. The delicious meal ended with John Paul II's favorite Polish dessert called Kremówka Papieska (Papal Cream Cake). Those present agreed that the meal and the setting were "breathtaking."

The afternoon's honoree Ambassador Piotr Wilczek spoke eloquently about the influence Pope St. John Paul II has had on his homeland and how the impact of his papacy helped bring about dramatic changes in Poland and throughout the world. The Ambassador was presented with a crystal plaque bearing his image along with that of His Holiness John Paul II by the Friends of JPII Foundation president Sharon Brzostowski.

As a special tribute, on October 16, 2018, two United States flags were flown over the US capitol in remembrance of the day that Karol Józef Wojtyła was elected Pope in 1978. The flags were presented to His Excellency Piotr Wilczek, and His Excellency Archbishop Christophe Pierre. After the presentation of the flags, Vice President Marianna Eckel gave highlights of the past and future activities of the Washington Chapter of the Friends of John Paul II Foundation.

The after lunch entertainment included some favorite songs of Pope St. John Paul II performed in Polish by the well-known soprano Laura Kafka-Price, accompanied by pianist Eileen Cornett. Both artists are on the faculty of the Peabody Institute of Johns Hopkins University. Those present joined in singing the Pope's beloved Góralu czy ci nie żal and Barka. The final blessing was given by Rev. Canon Philip Majka. Before the guests departed, Cecilia Glembocki, former president of the Chapter, invited them to pick up colorful gift bags with traditional Polish Christmas ornament, an "Altar to the World" book, as well as a newly developed children's coloring book about Pope St. John Paul II. A beautiful red or white scarf was included as a remembrance of John Paul II's love and warmth that he demonstrated to the entire world.

"Papal Sunday" in Hamburg

The election of Cardinal Karol Wojtyła, archbishop of Krakow to the Peter's Seat on October 16, 1978, was an extraordinary experience in Poland and in the world. For the first time, in the last 450 years, a non-Italian was elected as the Pope. That was a man from Poland. Karol Wojtyła was at that time 58 years old and took the name of John Paul II. He addressed the world with the message which is so current today: Do not be afraid!

On the occasion of the 40Th anniversary of the election on Sunday, October 21, 2018 in the Polish Catholic Mission in Hamburg the "Papal Sunday" was celebrated. During Masses, priests stressed in their homilies, that this day is, among others, to give thanks for St. John Paul II, to continue to learn more and explore his teachings and all what he, as the messenger of the Word of God, was saying to the Church and to the modern world. It should be reminded that the Pope for all these years was the moral authority not only for Catholics and Christians, but for all people of good will. With the passing years, we are noticing the great influence he had on people in Poland, in the entire Eastern bloc, in Europe, and in the world.

After Masses, at the door there was an opportunity to obtain a "brick" for the John Paul II Foundation, while at the book stand there were many books dedicated to John Paul II, prayer books, and rosaries.

On Saturday, October 20, 2018, children from the Polish Saturday School learned more about John Paul II by, among others: they were watching short movies about John Paul II; they had competitions and quizzes about the Pope. After the Mass, children received a book "St. John Paul II. I love Poland"

The second part of the "Papal Sunday" celebrations will take place on November 10, 2018. On that day, Prelate dr Sławomir Order will visit the Hamburg's Polish Catholic Mission and will meet with the John Paul II Foundation Chapter. During the meeting, he will present "The back-room information related to the canonization of John Paul II". Then, on Sunday, November 11th – on the day of the celebrations of the 100th anniversary of Poland's recovery of independence – during each Mass the distinguished guest will deliver homilies related to "Poland in the teachings of John Paul II". We trust that the "Papal Sunday" celebrations at the Polish Catholic Mission in Hamburg and the presence of the distinguished guests from Vatican will enrich religious formation of all guests who will attend the events.

Administrative Council Meeting of the John Paul II Foundation

From February 5-6, 2019 took place the annual Administrative Council meeting of the John Paul II Foundation in Rome. The meeting started with a solemn Mass at the altar of St. John Paul II celebrated by Archbishop Marek Jędraszewski, who in accordance with the statues has the governing authority over the Foundation.

During the first day of the annual meeting, all activities of the Foundation during the year were summarized. The second day was devoted to plans for the near future. The Administrative Council decided that on April 25-27, 2020 celebrations of the 100 anniversary of the birth of St. John Paul II along with the 40thanniversary of the establishment of the John Paul II Foundation will take place. For that reason, during the upcoming year, beside the statutory goals, will focus on preparations for the anniversary celebrations.

Book fairs in Munich

The John Paul II Foundation Chapter in Munich has years old tradition to organize religious book fairs during the pre-holiday periods (during Lent and Advent). Book fairs starts in the morning after two Masses for adults and for children in the parish hall in Munich at Heßstr Street. Then, after that book fair we transport all books to St. Joseph Church, where we also setting up another book fair. After the Mass at noon, numerous faithful people can buy good and worthwhile books. At the same time, at the St. Monica Church, where two Masses are celebrated, also a book fair is organized. All book fairs end after evening Mass at the Queen of Peace Church.

While selling books, we always remember to place the Holy Scriptures at the first place. We sell Bibles for adults and children. At our tables, we always have valuable books for adults, young people, and children. Through our book fairs, we are contributing a "brick" to build Christian culture; we are directing people to God and supporting our Foundation. The entre proceeds from our book fairs support the John Paul II Foundation.

Officially approved by the Canadian Government, April 2nd is Pope John Paul II Day throughout Canada. The Friends of the John Paul II Foundation organized a dinner commemorating this grand occasion.

The attendees included members of the Church, representatives of Polish diaspora organizations, the board of directors and members of the Friends of the John Paul II Foundation, and all those to whom St. John Paul II is dear.

The folk dance group from Hamilton, "Polonez", opened the artistic program.

Then Father Lech Wycichowski from the Sacred Heart parish in Kitchener told us an interesting story of the process of receiving the first degree relic of St. John Paul II for his parish.

Father Michał Kruszewski from the parish of St. Stanislaus Kostka in Hamilton surprised us with the news that his parish also received relics of St. John Paul II, and will soon officially announce this news in his parish.

At the end of that event, everybody sang St. John Paul II's favorite religious hymn"Barka".

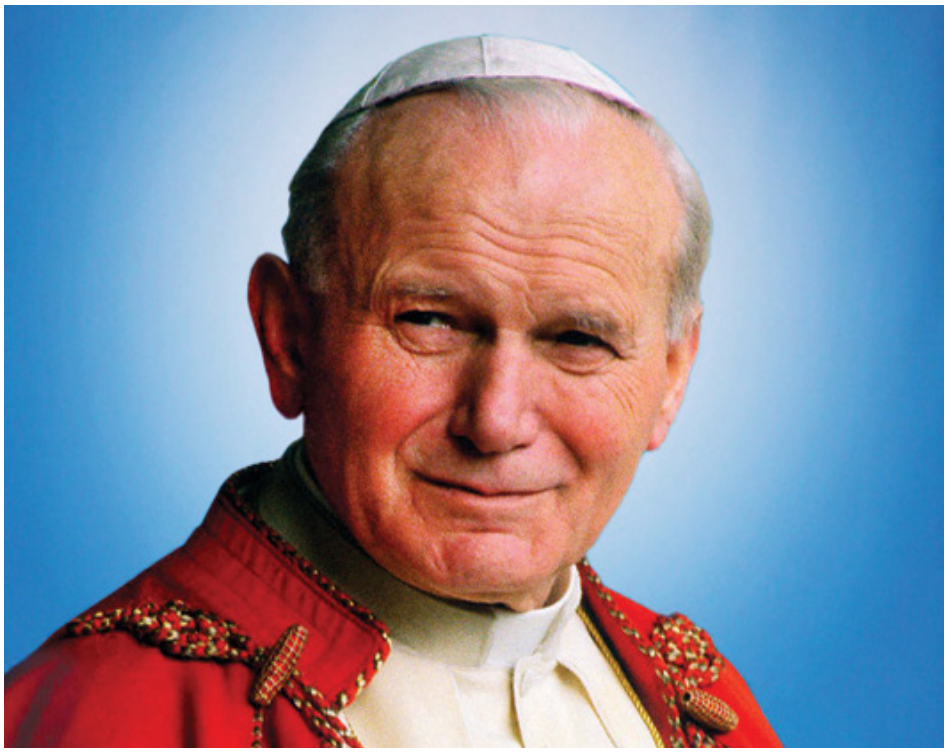
14th Ann JPII departure to the House of the Father, celebrations in Saskatoon



14th anniversary of the Pope John Paul II departure to the House of the Father - Celebrations in Saskatoon, Saskatchewan, Canada.

So far, Pope John Paul II is the only successor of Peter who made a pilgrimage to the country of maple leaf. The first visit of his Holiness took place in the year 1987, the second one in 2002 in Toronto during the celebrations of the World Youth Days.

This year, on April 2nd, already for the fifth time in Canada was celebrated the DAY OF JOHN PAUL II. Initially established in the province of Ontario, now is celebrated throughout Canada.

(The Bill to establish Pope John Paul II Day passed the Senate Dec. 16/2014 and has received royal assent.)

In the Polish church dedicated to Our Lady of Częstochowa in Saskatoon, Saskatchewan also celebrations took place, starting with a holy Mass celebrated on Sunday March 31, 2019, by the Pastor of the church, Fr. Andrzej Wychudzki. The following celebration, a votive Mass was celebrated on April 2nd, on the 14thanniversary of the Pope John Paul II departure to the House of the Father. The Mass was celebrated to implore Heavenly Father to stop those who are trying to put our Holy Patron in a bad light.

After the Mass, we prayed with the Litany to St. John Paul II, and then, parishioners along with members of the John Paul II Chapter were invited to a parish hall to see the film "Liberating a continent: JOHN PAUL II and the fall of communism". The president of the Saskatchewan Chapter of the John Paul II Foundation, Bożena Kilanowski, at first welcomed all participants and then, gave thanks to Fr. Andrzej Wychudzki for the Eucharist and touching homily and Marek Wiatr for the beautiful music. We are also expressing our gratitude to the Polish Catholic Association in Saskatoon for sponsoring the flower decorations in the Church and in front of the John Paul II monument.

On three tables, books and press related to the Pope were presented. Some of the books like: "Why He Is a Saint" or "Witnesses of holiness" has been rented to people who wanted to deepen their knowledge about the Pope. Bożena Kilanowski was reading her own poem entitled "The Communion of Saints" from the book "Written by heart – Poetic diptych for Saint John Paul II." This book is a collection of poems prepared for the 35thanniversary of the John Paul II Foundation establishment. The book includes poems written by forty--nine authors from Poland and written by Polonia. We should mention that the book was published in 2016 in Rome by the John Paul II Foundation – The Center for Documentation and Research Center of the Pontificate of John Paul II.

The move which we have seen, presented many important facts, proving the great role of the Polish Pope in the fight against communism.

New Jersey Chapter of JP II Foundation

"If you want equal justice for all, and true freedom and lasting peace, then, America, defend life!"Every human person – no matter how vulnerable or helpless, no matter how young or how old, no matter how healthy, handicapped or sick, no matter how useful or productive for society – is a being of inestimable worth created in the image and likeness of God. This is the dignity of America, the reason she exists, the condition for her survival-yes, the ultimate test of her greatness: to respect every human person, especially the weakest and most defenseless ones, those as yet unborn."

John Paul II, Airport of Detroit, September 19, 1987

Having in mind the John Paul II call to defend life expressed so many times to the world and to American people, the New Jersey Chapter of John Paul II Foundation also participated in the annual Washington's March for Life which was held for the 46thtime. It was worth for members of the Chapter to take a day off (March for Life always takes place on a weekday) and be a part of a larger pro-life movement which gathers thousands of people in Washington D.C.

With prayers, holding the banner with the John Paul II image and the name of the Chapter to identify our group, we were marching through the Constitution Avenue to Capitol and the Supreme Court. Seeing so many people, especially young people, amplified our hope that the permission to kill unborn children may end soon.

The US Supreme Court decision of Rowe v Wade from 1973, made it legal to do abortion in every State of the US. That Supreme Court ruling did not settle in many human hearts and conscience of their souls. Since then, the organizers and participants of March for Life have decided to protest that decision until it will be revoked.

In recent years, we are seeing a light of hope. Many pro-life celebrities, politicians, and church leaders were speaking at the event.

We were very happy that the Vice President of the United States, Mike Pence along with his wife attended the March and the President Donald Trump addressed the crowd on live broadcast. All attendees of the March for Life cheered for his stance in support of pro-life movement.

John Paul II Foundation of the Irish Chapter

The Irish Chapter of the John Paul II Foundation met for their monthly meeting on February 12th at the Adoration Chapel in Ferns. The Rosary was prayed before Jesus in the Most Blessed Sacrament, through the Intercession of our Blessed Mother and St. Joh Paul II and all the saints. The prayer of the Rosary was offered for all families, families in our communities and for the world wide family. As always, the prayers and petitions for the work and mission of St. John Paul 11 chapters were brought before the Blessed Sacrament.

Holy Mass was celebrated by Rev Fr. Billy Swan. Following the readings and the Gospel, Fr. Billy gave his homily in which he shared a few thoughts regarding how the timing and relevance of these readings were in today's world. How we need to prayerfully contemplate the accounts of creation in the First Book of Genesis. It seems that everyday we hear on the news about climate change, changing Eco systems, changes in methods of agriculture, eat less meat, etc.

Why is all this happening? Why is there such a crisis in our Eco system and in our climate?

Part of the reason is because a development that took place back in the time of the industrial Revolution during the 18th Century. Not to overly complicate the story but there was a shift in that time away from God towards the powers of humanity to do what we like with creation. We see ourselves at the Center. There was a new confidence in the powers of humanity to make

things, be self sufficient and there came an increasing attack on faith and the churches. We could do what we wanted with the unlimited powers that we had. What happened then was a unlimited freedom that we conceded to, that we ourselves could do what we wanted with the Earth. What has begun now and is emerging especially over the last few decades is that Mother Nature is starting to bite back, and we see these signs when we abuse our powers, when we go beyond what God intended us to do. When we PLAY GOD. We stop been stewards of the created world. This is when trouble arises.

It's when we become overly dependent on science and less on the religious perspective and understanding of the world that God gave us, to be good stewards of creation and not to abuse it. We need to see ourselves as part of God's creation, not over and above. We rejoice with all the created world. Gods original intention for the created world was and is now that we are part of it and that we rejoice, give glory and contemplate the beauty given to us in the natural world in order to give glory back to God.

St. Francis of Assisi the great saint glorified God in all His creation and Beauty. St. Bonaventure talked about St. Francis when he contemplated the beauty of the natural world. It was like a ladder that led him up to contemplate the beauty and Glory of God. So, it is very important that we take these passages of creation seriously and contemplate the great beauty of the natural world and Gods creation.

We may think that we are clever because of new technology, or going to the moon or Mars, but nothing compares to the spiritual awe and wonder that we have for instance in a beautiful nights sky, the felt immensities that impact us when we contemplate the moon and the thousands of stars that we can see with our own eyes, the distance between us and from us. They express the infinity of what God has created and the magnitude of God himself.

The great Saint Thomas Aquinas once said that "From created things can God be known. God has His finger prints in all He has made in a way that reveals us to Him". God reveals himself to us in Scripture and creation. If you walk in the Garden, become sensitive to the changes in the Seasons, the flowers and the trees, the night sky, the animals and rivers. Let us see ourselves as part of God's creation. We are made in the image and likeness of God, not to be above or to use for our own means but to be good stewards of all of Gods nature.

The FJP II is expressing its gratitude and, it is preserving for history names of those who in a special way helped in her development

Thanks to your commitment, this great idea of helping poor, but very talented scholarship recipients from the former Soviet Union bloc and Asia is flourishing. Also, teaching of Saint John Paul II is disseminated in many languages on all continents. Let the year 2020 be a time of thanksgiving to God for this Great Gift in the person of Karol Wojtyła, for his holiness and love of all people.
